Nightstands
& accessories

A next-generation robot offering unmatched manufacturing precision.

From Idea to delivery *We Make It Happen*

Looking for a manufacturing partner who truly delivers?

At Alpha interior, we combine industrial capacity and craftsmanship to produce large volumes of handmade bedding, from custom headboards to storage beds and slatted bases, with speed, precision, and flexibility.

From the peaceful countryside of Krakow to warehouses across Europe, we've turned cross-border logistics into a well-oiled machine. Each week, an average of 16 fully loaded trucks head west with our bedding collections, bringing comfort and quality to our customers with clockwork precision.

Need responsiveness? *We answer fast.*

Need volume? *We scale up.*

Need reliability? *We're already moving.*

More than a supplier, Alpha Interior is your structured, export-ready partner trusted by distributors, retailers, and private label clients all across Europe.
